WHO WE ARE

At Theo's, we are a family-run business with a deep-rooted passion for food. Our commitment to quality and service has been at the heart of everything we do since our journey began in 1990. What started with Chris Gavriel's unique marinated chicken in Burntwood, Staffordshire, has grown into a trusted food company serving businesses across the UK.

Operating from our modern headquarters in Aldridge, West Midlands, we utilise a state-of-the-art production facility, fully GB licensed '4798' for cutting and meat preparation. Our expertise in crafting exceptional food solutions makes us a partner you can rely on.

WHY THEO'S

Theo's specialises in high-quality chicken-based food solutions designed to elevate your menu. We provide innovative options that serve as a compelling alternative to mainstream high street brands. Our products offer a nutritious and flavourful choice while ensuring ease of preparation and serving. Whether you need grab-and-go options, plated meals, or flexible catering solutions, Theo's has you covered.

- Halal and non-Halal options
- Compliance with government nutritional guidelines
- Nutritious and flavourful recipes
- Full GB license '4798' for cutting & meat preparation
- Nationwide deliveries with temperature monitoring
- A comprehensive quality management system
- All products manufactured at Theo's are allergen-free

WHAT WE DO

At Theo's, we are passionate about delivering high-quality food solutions that meet the demands of modern kitchens. Our carefully crafted products offer consistency, convenience, and exceptional taste, making them a trusted choice for businesses across the food industry. Whether you're looking for perfectly marinated poultry, expertly coated selections, essential pantry staples, or delicious vegetarian options, our diverse range has been designed to inspire menus and satisfy customers.

MARKETING SUPPORT

It is one thing having a great product, but quite another creating the best environment. Let's face it, time is money. The right offer, location, time and price is vital to achieve impulse and incremental sales! We support each of our offers with high impact, flexible sales and promotional package. These are specifically designed to transform tired counter units and revive boring counter space. Our package includes: posters, hanging signs, table talkers. Theo's has introduced a universal brand which can be adapted and used by you under your own umbrella. Our contemporary 'creative with food' branding can help transform your dining environment.
